

FINANCIAL INFORMATION

Your child is enrolling in a continuous skill-building program that has recurring monthly tuition unless you submit a drop class request (available at the front desk).

Membership fee: \$45 for 1 child or \$60 for the family. Annual membership will be charged on your anniversary date and will be handled the same as tuition.

If registering prior to the session beginning, current membership and a \$25 deposit will hold your child's spot in the class. The balance is due at the first class.

IF after the session begins, current membership and the first month's tuition are due (tuition may be prorated).

For those who choose automatic billing, tuition will then be charged monthly on the first of every month. All other payment methods are due on the 1st of each month. While we prefer auto draft, we accept cash, check, credit and debit cards.

Our preferred methods of payment are to pay online or call the gym office and pay over the phone.

A late fee of \$5 will be assessed if payment is not received by the 7th of each month.

After the 10th if payment is not made your child will be dropped from class.

- If you are dropped for non-payment your child will not be allowed to attend any other activities at the gym until the balance is paid. *Drop requests must be submitted by the end of the month or tuition for the coming month will be charged.*

FAQ's

What precautions are you taking to protect the children from Covid exposure?

Every person entering the gym will have their temperature taken. Every child entering class lines up on our socially distant dots and receives hand sanitizer before entering class. Cubbies are spaced and cleaned between classes.

- ***What extra cleaning are you doing?***
We clean all mats between rotations, we clean bathrooms at a minimum of once an hour, we also have a floor cleaner that is sprayed on the gym floors every evening. All hard floor is cleaned and sanitized at a minimum of once a day.
- ***Who is required to wear a mask?***
Anyone sitting observing a class is asked to wear a mask. Our staff will wear a mask any time they are within 6ft of the children. Any gymnast or ninja that would like to wear a mask is welcome to do so.
- ***What should my child wear?***
Students should wear comfortable clothing and be barefoot in the gym. Leotards are optional. Mid-drifts must be covered. No jewelry and hair must be tied back. Visit our Pro Shop for a great variety of leotards and athletic gear.
- ***What if we need to miss a class?***
If possible, please let us know if you need to miss a class. This allows another student to make up in your place. Make up classes must be scheduled with the front desk.
- ***Can I watch my child?***
Absolutely! Due to spacing issues we are only allowing one parent in with each child. Please no siblings unless they have an overlapping class.
- ***What does my membership include?***
Members receive a T-shirt, discounts on other NBG programs, invitations to special member-only events hosted throughout the year,
- ***How is student progress monitored?***
Coaches are trained to continuously monitor a child's progress. If your child is ready to advance into a new class, your coach will notify you. Gold Medal Showcase is our end of year finale where students showcase their skills for friends and family.
- ***What if my child is sick or has head lice?***
We ask that students who may be contagious with anything remain home. Children should be fever free for 72 hours prior to returning to the gym. Lice must be treated, and hair must be worn up and hair sprayed. A second treatment should be done one week later. Please err on the side of caution.

Programs

Preschool Gymnastics

Kids starting at walking are welcome in our preschool classes. We offer parent/child and independent classes for all your little ones' needs.

Girls' Gymnastics

Starting at kindergarten, students will work on the 4 Olympic recognized events: Bars, Beam, Floor, and Vault. Also, Trampoline, pit, stretching, and conditioning are part of our curriculum.

GO Ninja

This co-ed class encourages students to explore how their bodies move in space and to test their physical abilities. It also raises confidence through overcoming fears and mental barriers. It combines elements of gymnastics, tumbling, free running, and tricking.

Tumbling

These drop-in classes are for those who are interested in working on tumbling skills. Students who want to tumble in a safe and structured environment are encouraged to try these classes.

Camps

During the school year, camps are offered on Craven County days off. Over the summer, we offer 11 weeks of fun camps. Camps start at 9am and run through 4pm with early drop off and late pick up available from 7:45-5:15.

After School Enrichment

This program, designed for grades K-5, picks up students at several local schools. Children return to the gym for exercise/play, snack, and time to properly complete homework. Hours are from 3-6pm daily. Students in ASE receive 50% off any classes taken during ASE hours.
