Programs

Preschool Gymnastics

Kids starting at walking are welcome in our preschool classes. We offer parent/child and independent classes for all your little ones' needs.

Girls' Gymnastics

Starting at kindergarten, students will work on the 4 Olympic recognized events: Bars, Beam, Floor, and Vault. Also, Trampoline, pit, stretching, and conditioning are part of our curriculum.

GO Ninja

This co-ed class encourages students to explore how their bodies move in space and to test their physical abilities. It also raises confidence through overcoming fears and mental barriers. It combines elements of gymnastics, tumbling, free running, and tricking.

Tumbling

These punch pass classes are for those who are interested in working on tumbling skills. Students ages 7+ who want to tumble in a safe and structured environment are encouraged to try these classes.

Camps

During the school year, camps are offered on Craven County School days off. Over the summer, we offer 11 weeks of fun camps. Camps start at 7:45am and run through 5:15pm.

After School Enrichment

This program, designed for grades K-5, picks up students at several local schools. Children return to the gym for exercise/play, snack, and time to properly complete homework. Hours are from 3-6pm daily. Students in ASE receive 25% off any classes taken during ASE hours.
