

# FAQ!

## What should my child wear

Students should wear comfortable clothing and be barefoot in the gym. Leotards are optional. Mid-drifts must be covered. No jewelry and hair must be tied back. Visit our Proshop for a great variety of leotards and athletic gear.

## What if we need to miss a class

If possible, please let us know if you need to miss a class. This allows another student to make up in your place. Make up classes must be scheduled with the front desk.

## Can I watch my child

Absolutely! We know that watching your child during class time is very rewarding to the family member and the child. With that said, we know that the parking lot and bleacher areas get very crowded at certain times. If your child is 5 years old or older, and is comfortable doing class without you being present, we ask that you consider dropping your child off for their class or waiting in your car while your child is participating in class. We would also like to share that the gravel parking lot adjacent to the main parking lot can also be used for parent/family parking. We appreciate your help in considering these overcrowding issues

## What does my membership include

Members receive a water bottle, discounts on Birthday parties, and invitations to member only events.

## How is student progress monitored

Coaches are trained to continuously monitor a child's progress. If your child is ready to advance into a new class, your coach will notify you. Gold Medal Showcase is our end of the School year finale where students showcase their skills for friends and family.

## What if my child is sick or has head lice

We ask that students who may be contagious with anything, remain home. Children should be fever free for 72 hours prior to returning to the gym. Lice must be treated, and hair must be worn up and hair sprayed. A second treatment should be done one week later. Please err on the side of caution.

Your child is enrolling in a continuous skill-building program that has recurring monthly tuition unless you submit a drop class request (available at the front desk). Membership fee: \$50 for 1 child or \$65 for the family. Annual membership will be charged on your anniversary date and the payment will be handled the same as tuition.

Prior to the beginning of each session, a \$25 deposit will be required to hold your child's spot in the class. The balance is due at the first class.

After the session begins, current membership and the first month's tuition are due (tuition may be prorated). For those who choose automatic billing, tuition will then be charged monthly on the first of every month. All other payment methods are due on the 1st of each month. While we prefer auto draft, we accept cash, check, credit and debit cards.

You may pay online, stop by the front desk, or call the gym.

A late fee of \$5 will be assessed if payment is not received by the 7th of each month.

After the 10th, if payment is not made your child will be dropped from class.

• If you are dropped for non-payment your child will not be allowed to attend any other activities at the gym until the balance is paid. Drop requests must be submitted by the end of the month or tuition for the coming month will be charged.
